This Month Featuring: The Honey Tree Staff

I would like to say thank you to my staff for the outstanding job that they do each day. They are very dedicated, caring and loving individuals who take great pride in the work that they do. I am so very fortunate to have such wonderful teachers and am truly appreciative of all that they have contributed to The Honey Tree. The Center simply would “not work” without them!

1 This month the themes for the **Rabbit Hole**, **Honey Tree Room**, **Pooh's Forest** and **Pre-K** are **Bubbles, Boats & Floats**, and **Mother's Day**.

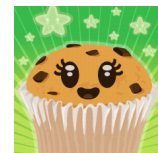

2 Reminder, the last day of school for Cy-Fair is **Thursday, May 30**. If your child will be at the Center on Friday, May 31, please add \$12.00 to your tuition.

3 The Center will be closed on **Monday, May 27** for Memorial Day.

4 **Muffins for Mother's Day**

We are inviting all Mothers to come have muffins with their children at breakfast in honor of Mother's Day on **Friday, May 10**. Please come join us as we celebrate your “special day”!

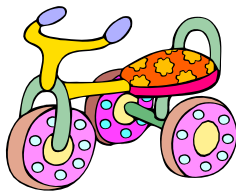

5 Our Pre-K class will graduate on **Friday, May 17** at **10:00 a.m.** This is the 36th class that we have sent to Kindergarten. We are very proud of these children and what they have accomplished.

Miss Tiffany has worked diligently with the students and they are very prepared for next year. Please join us for graduation as we celebrate their success in Pre-K!

6 St. Jude Children's Research Hospital Trike-A-Thon. Thank you to all the children and parents who participated in our Trike-A-Thon. A check has been sent to St. Jude Hospital from all the students at The Honey Tree.

8 **Reminder** – Please **do not allow your child to wear Flip-Flops (including those with back straps), Jellies or Crocs** to the Center. They are a safety hazard and are not appropriate for outside play.

7 **Health Requirements** – A child who is **apparently ill will not be admitted to the Center**. If a child becomes ill or shows symptoms of a communicable disease, he or she will be kept in isolation until the parents are notified and come get their child.

If a child has had a communicable disease, a serious illness or injury, a written statement from a licensed physician will be required upon readmission. Children must be free of fever, diarrhea and vomiting for 24 hours before returning to the Center. Any child suspected of having conjunctivitis (Pink Eye) must see a doctor and be on medication for 24 hours before returning to the Center.

9 **Summer Program** – We are looking for parents interested in being part of our summer program. You will have the opportunity to share with the children about your job, read stories or do an art project. Please let us know if you would like to participate.

We need to know if your children will be at the Center this summer. There is a form next to the Sign In/Sign Out Sheets. Please check **YES or NO** next to your child's name.

Thanks! To all our parents for your comments, suggestions and support. Please continue to let us know how you feel about the Center, the care your children receive or just come by and say hello. You are very important to us and we do care about what you say.
