This Month Featuring: Syeda Begum

Syeda is one of the teachers for The Rabbit Hole (18 months – 2 ½ years). She is a wonderful teacher and takes excellent care of the children. Syeda is dependable, responsible and is always concerned with the children's safety, health and welfare. She has a great work ethic, positive attitude and works effectively with the children, parents and staff. Syeda is always available to answer any questions regarding your child's day. She has been at the Center since August 22, 2011, and truly represents the quality staff at The Honey Tree that are meeting the needs of your children in a loving, warm and caring environment – "a home away from home where every child is cherished".
